

Locating IMH Policies and Procedures

On any hospital desktop computer, find the IMH Services icon> double click to open:

Hover over “Start Here” and select Policy and Procedures. Policy Search from there.... all Emergency Codes are also available on IMH Services:

A screenshot of a web browser displaying the IMH Services portal. The browser's address bar shows 'http://ihswweb/'. The page features a large 'IMH SERVICES' logo on the left and a grid of service links on the right. A 'Start Here' dropdown menu is open, highlighting 'Policy And Procedures'. The 'Emergency Codes' link in the grid is highlighted with a red border. The UChicago Medicine logo is visible at the bottom of the page.
